Erratum Page Long Term Conditions Management Framework

Unfortunately there are some errors within this document. The corrections can be found below:

Page 17 - C&C DHB CCM Model (Adapted from Wagner’s CCM Model, 1998) should be as below

Page 84 - Appendix VI C&CDHB Mapping tool.

First boxes under the headings: People Affected Without Complications and Affected People with Complications – should read ‘Heart Failure Project’

This erratum page will accompany any further printed copies disseminated as from today July 9th 2008. The documents on the C&C DHB Webpage have been amended.

Kind Regards
June McDonald, Programme Manager, Long Term Conditions
Capital & Coast District Health board (C&C DHB)
