

Strategic Planning Evening for Primary Health Care Nursing

April 21st 2010

5.30pm – 9pm

Conference Room

Kenepuru Education Centre (next to Kenepuru Hospital entrance)

Vicky Noble, Director of Nursing Primary Health Care and Integrated Care warmly invites you to participate

Aims:

To identify & discuss meaningful and achievable goals for the Primary Health Care (PHC) team for 2010 – 2011. In order for us to do this, we need to know your thoughts and views about what you think the priorities are for primary health care nursing within the Capital & Coast DHB district. Please come along with your ideas, or let us know ahead of time by emailing

Vicky.noble@ccdhb.org.nz

Programme:

5.30pm – begin with a light tea in the seminar room, next to the Conference Room

6pm – 9pm Vicky will begin by providing an overview of the current PHC, strategic priorities for health, workforce issues, models of care and issues facing us for the future.

We will then all discuss these issues and identify strategies for the Capital and Coast DHB primary health care team to consider implementing.

For catering purposes, please RSVP to Linda.polaschek@ccdhb.org.nz
ph. 8062448, by Monday 19th April
