

Some additional information that may be helpful to you in your interest in this RFP.

On page 21 of the RFP it says: "All providers ...including the Addictions Assessment at Court service will be expected to comply with the relevant requirements of the Alcohol and Other Drug Treatment sector standard (NZS 8157:2003)."

Does this mean that a provider putting forward a proposal needs to have been audited and certified as meeting the standard or just that CCDHB has an expectation of compliance by any potential provider?

CCDHB would have an expectation of compliance by any potential provider.
