

# COVID-19 MOBILE TEAMS FOR PEOPLE WHO CANNOT LEAVE THEIR HOMES

Wairarapa, Hutt Valley and Capital and Coast District Health Boards together with our PHO partners are establishing mobile teams to provide **COVID-19 testing outreach services for people who can't leave their homes or residential care facility** (including Aged residential Care, disability, and mental health residences).

The service is available 7 days a week. Hours may vary by location and demand.

**Please note emergency care is still be accessed through 111 services**

## WHO IS THE SERVICE FOR?

People that are immobile/housebound/isolated or cannot get to a COVID-19 testing site or GP (and a virtual health appointment cannot address the need)

## WHO CAN REFER?

GPs and PHOs

Other health providers e.g. Health line, Regional Public Health, Accident and Medical, Māori Health Providers and Pacific Health Providers, disability support services

**Over the Easter Weekend to access mobile services, please contact the appropriate service below based on where the person lives:**
