

COVID-19 MOBILE TEAMS FOR TESTING IN RESIDENTIAL CARE FACILITIES

Wairarapa, Hutt Valley and Capital and Coast District Health Boards together with our PHO partners have established mobile teams to provide **outreach services for people who can't leave their homes or residential facility** (including aged residential care, disability, and mental health residences).

The service is available 10am to 4pm 7 days a week. Hours may vary by location and demand.

Please note emergency care is still accessed through 111 services

Who is the service for?

- People that are immobile/housebound/isolated or cannot get to a COVID-19 testing site or GP (and a virtual health appointment cannot address the need)

Who can refer?

- GPs and PHOs
- Other health providers e.g. Health line, Regional Public Health, Accident and Medical, Māori Health Providers and Pacific Health Providers, residential facilities and disability support services
