Celebrating Success Awards

Ngā Tohu Angitu: Celebrating Success Awards

Entries from our staff and our funded providers are now open for 2021 Ngā Tohu Angitu: Celebrating Success Awards.

It's time to celebrate our shining stars! Our annual Celebrating Success Awards recognise and celebrate the work you do to improve the health of our community.

In 2021 we have shown true unity and creativity during a period of high demand for our services, including delivering the largest ever vaccination programme in our region for COVID-19. We have innovated, collaborated, demonstrated excellence, shown outstanding teamwork and leadership, and gone the extra mile to deliver fantastic care.

So if you know a person or team deserving acknowledgement for their mahi, [fill in this simple online form](#) to nominate them for an award in one of the categories below! Those nominating will need to show who has benefited, and how. [Find out what makes a great nomination](#) in the attached pdf.

Teams from our network of community health care providers are able to enter the awards based on their physical location, or the community they serve. You can put forward a nomination for Capital & Coast DHB ([Closing date 10 September](#)) or Hutt Valley DHB ([Closing date 17 September](#)). Simply select which DHB's awards you would like to enter on the nomination form. Both DHBs also offer a 2DHB award category if your services are delivered across the region.

All categories are open to our community partners and providers. You can nominate, or be nominated, if you deliver funded healthcare in the community (including in primary care, NGOs or other partner organisations).

Most awards are relevant to any profession and anyone can be nominated. The exceptions are those awards for a specified profession or group, being the nursing, midwifery, medical, allied health, volunteer, and non-clinical staff categories.

The categories

2DHB Toa Ranga i te Tira / Champion of Collaboration and Integration
(NB this is a single award across both DHBs which can be entered via CCDHB or HVDHB – relevant closing dates apply)

For teams or individuals who have demonstrated outstanding collaboration or prioritised integration in their approach to care for services across our sub-region and in community and primary health care. This could be developing an initiative to share knowledge across the 2DHBs, increase system connectedness and cohesion, fostering integration between the primary,

secondary or community sectors, demonstrating partnership which builds participation with Māori, using innovative thinking or new approaches which encompass Māori health and equity outcomes.

CCDHB and HVDHB Hiranga Haumanu / Clinical Excellence
