

# Places for Hapū Māmā at the Ora Toa Vaccination Centre in Porirua

Ora Toa have set aside a safe supportive environment on Mondays 10.30-2.30 specifically for hapū māmā who would like to get vaccinated. These clinics will start Monday 11th October. This includes:

- Longer appointment times if you have any questions
- Spaces during a low sensory day (it's nice and quiet and spacious)
- Space for hapū mama to be vaccinated alongside other hapū mama and be together as a community
- See below how to organise an appointment or a discussion for a woman who would like more information

LMC discusses vaccination with client, who wishes to ask some more questions or talk about concerns further with someone

LMC emails client details (Name, NHI, DOB & Contact information) to Jessica.Maxwell@ccdhb.org.nz to arrange a call back for their client.

**Subject Heading of email is Call Back Covid-19**

Jessica gets in touch with pregnant person for a further discussion, and if they consent can organize a time with them at Ora Toa vaccination clinic, or encourage them to book online using MOH portal

If the client would like to engage with the Ora Toa vaccination clinic, Jessica works with client to find a time that works, populates the Ora Toa spreadsheet and sends to Trishleigh with Subject Heading : Wahine Toa. The team at Ora Toa confirm bookings via text with the client.
