A screenshot of the Ministry of Health Pandemic Personal Protective Equipment Ordering webpage. At the top left is the Ministry of Health logo with the text "MINISTRY OF HEALTH" and "MANATU HAUORA" below it. Below the logo is the text "Welcome to the Ministry of Health Pandemic Personal Protective Equipment Ordering webpage". The main content is a white login box titled "Sign in to your account" with the instruction "Please enter your name and password to log in." Below this are three input fields: "MOH Account No", "Username / Email" (with a person icon), and "Password". Below the fields are two links: "First time registering to the site? Please click [here](#)" (where "here" is circled in red) and "Forgot your password? Please click [here](#)". There is a checkbox for "Keep me signed in" with a small circular icon to its right, and a red "Login" button. At the bottom of the page, it says "2020 © EDIS tech Ltd. Click Save.

You will then be sent an email to verify your email address. Click on the link in that email to verify.

Another email will be generated with a temporary initial password. You may use this to log-in and update the password to your own. **However, at this stage, there will be NO products visible yet to you. (the website is refreshed 2-3 times throughout the day for the products to appear for you to order.)**

PLACING AN ORDER

Upon logging in, this is the screen. Click on *Place Order*

A page with items that are approved for you will then be visible. Please enter quantity required.

On the Notes column are details on the unit of measure.

E.g. carton of 2 bottles. If requiring 6 bottles, then place as quantity 3.

This means 3 cartons of 2 bottles will be shipped, totalling 6 bottles of sanitiser.

Then click *Add to Cart*
