New Zealand COVID-19 Protection Framework

against COVID-19

Factors for considering a shift between levels: vaccination coverage; capacity of the health and disability system; testing, contact tracing and case management capacity; and the transmission of COVID-19 within the community, including its impact on key populations.

Localised lockdowns: will be used as part of the public health response in the new framework across all levels, and there may still be a need to use wider lockdowns (similar to the measures in Alert Level 3 or 4).

Vaccination certificates: Requiring vaccination certificates will be optional for many locations. There are some higher-risk settings where they will be a requirement in order to open to the public. Some places won't be able to introduce vaccination requirements, to ensure everyone can access basic services, including supermarkets and pharmacies.

COVID-19 across New Zealand, including sporadic imported cases.

Limited community transmission.

COVID-19 hospitalisations are at a manageable level.

Whole of health system is ready to respond – primary care, public health, and hospitals.

General settings

- Record keeping/scanning required
- Face coverings mandatory on flights, encouraged indoors
- Public facilities open

- Retail open
- Workplaces open
- Education (schools, ECE, tertiary) open

• Specified outdoor community events - allowed

No limits if vaccination certificates are used for:

- Hospitality
- Gatherings (e.g. weddings, places of worship, marae)
- Events (indoor/outdoor)
- · Close contact businesses

Gyms

If vaccination certificates are not used, the following restrictions apply:

- Hospitality up to 100 people, based on 1m distancing, seated and separated
- Gatherings (e.g. weddings, places of worship, marae) up to 100 people, based on 1m distancing
- Events (indoor/outdoor) up to 100 people based on 1m distancing, seated and separated
- Close contact businesses face coverings for staff, 1m distancing between customers
- Gyms up to 100 people, based on 1m distancing

RED

Increasing community transmission with increasing pressure on health system.

Whole of health system is focusing resources but can manage – primary care, public health, and hospitals.

Increasing risk to at risk populations.

General settings

- Record keeping/scanning required
- Face coverings mandatory on flights, public transport, taxis, retail, public venues, encouraged elsewhere
- Public facilities open with capacity limits based on 1m distancing
- · Retail open with capacity limits based on 1m distancing
- · Workplaces open
- Education open with public health measures in place
- Specified outdoor community events allowed

No limits if vaccination certificates are used for:

- Hospitality
- Gatherings (e.g. weddings, places of worship, marae)
- Events (indoor/outdoor)
- Close contact businesses

Gyms

If vaccination certificates are not used, the following restrictions apply:

Hospitality – contactless only

- Gatherings (e.g. weddings, places of worship, marae) up to 50 people, based on 1m distancing
- Close contact businesses, events (indoor/outdoor) and gyms are not able to operate

Action needed to protect health system – system facing unsustainable number of hospitalisations.

Action needed to protect at-risk populations.

General settings

- · Record keeping/scanning required
- Face coverings mandatory on flights, public transport, taxis, retail, public venues, recommended whenever leaving the house
- Public facilities open with up to 100 people, based on 1m distancing
- Retail open with capacity limits based on 1m distancing
- Workplaces working from home encouraged
- Education schools and ECE open with public health measures and controls
- Specified outdoor community events allowed with capacity limits

With vaccination certificates, the following restrictions apply:

- Hospitality up to 100 people, based on 1m distancing, seated and separated
- Gatherings (e.g. weddings, places of worship, marae) up to 100 people, based on 1m distancing
- Events (indoor/outdoor) up to 100 people based on 1m distancing, seated and separated
- Close contact businesses public health requirements in place
- Gyms up to 100 people, based on 1m distancing
- Tertiary education vaccinations required for onsite delivery, with capacity based on 1m distancing

If vaccination certificates are not used, the following restrictions apply:

- Hospitality contactless only
- Gatherings (e.g. weddings, places of worship, marae) up to 10 people
- Close contact businesses, events (indoor/outdoor) and gyms are not able to operate
- Tertiary education distance learning only
