Completing Routine Enquiry for Intimate Partner Violence

Use a Framing Statement

“In this service we are concerned about family violence, and the impact it has on women and children, therefore we routinely ask all women about violence in their home.”

Ask the Routine Enquiry questions

“Within the past year, did anyone scare you or threaten you, or someone you care about? (If so, who did this to you?)”

“Within the past year, did anyone ever try to control you, or make you feel bad about yourself?”

“Within the past year have you been hit, pushed or shoved, slapped, kicked, choked or otherwise physically hurt? (If so, who did this to you?)”

“Within the past year has anyone forced you to have sex, or do anything sexual, in a way you did not want to? (If so, who did this to you? When did this happen (the last time?)”
