

## Contacting Tertiary Education Providers

At the beginning of each semester the clinical teaching associate (CTA) Massey and clinical tutor Whitireia will where possible arrange a face to face introduction. At this time they may leave their contact details with you.

Unless there is an urgent issue please do not contact tutors directly. If you do need to contact a tutor please contact the nurse educator for clinical placement for the most suitable person.

All general enquiries for Whitireia programmes via this email address [clinical@whitireia.ac.nz](mailto:clinical@whitireia.ac.nz)

Enquiries will be sent on the relevant programme tutor to respond

For general programme enquires at Whitireia navigation to the pages is as follows:

- From the front page click 'About Whitireia' (located on the top of page)
- Scroll down to Staff and Faculty (4<sup>th</sup> section) and click onto 'Faculty of Health'
- On this page you will see on the right hand side a link to 'Clinical Placement Information' click this link

This will take you to the main page for the student and preceptor.
