

### The Professional Development Recognition Programme (PDRP)

The PDRP is a competency based clinical programme that supports the practice development and career progression of enrolled and registered nurses.

#### PDRP and Scholarship Funding

Having a current PDRP is one requirement for accessing the PDRP and Scholarship Funding.

The PDRP must be current at the time of application, or the funding application will be declined.

**Two hour PDRP workshops at Competent, Proficient, Expert & Senior Expert, and Senior level are available for booking via [Connect Me](#).**

### Competency 2.2 Proficient Level

Undertakes a comprehensive and accurate nursing assessment of health consumers in a variety of settings.

**Describe a comprehensive and accurate assessment you completed that required a combination of direct health consumer assessment and physiological or other clinical parameters that demonstrates advanced clinical judgement.**

- Give a specific example of a comprehensive and accurate assessment you completed to demonstrate your advanced clinical judgement.
- Make sure you are describing a specific assessment you completed, rather than describing your assessments in general terms.
- What direct patient assessment and physiological or other clinical parameters did you use?

For any queries, please contact the Nurse Educator in your clinical area or email:

### Are you completing your PDRP?

First of all well done!!

Few things that you will find helpful in starting and completing your PDRP:

- For full information regarding the PDRP please refer to the PDRP Handbook for RNs and ENs or PDRP Handbook for senior nurses.
- Where to start: have a conversation with your line manager first. The line manager must endorse your PDRP application and determine the appropriate level with you.
- Please see the intranet to view all PDRP portfolio contents and PDRP templates to use.
- There are PDRP workshops available for all PDRP Levels. Please come along these sessions are helpful in assisting you in completing your self-assessment and meeting portfolio requirements.
- CNEs and CNS (MHAIDs) can guide you with your PDRP. The Nurse Coordinator for Professional Development is also available to be contacted for assistance if needed.
- Please note it is an expectation for all CCDHB nurses to be on the PDRP.

#### Transfer of PDRP

The transfer of PDRP is required for nurses who are new to the organisation (external transfers) or who are existing employees transferring to a new role within the organisation (internal transfers).

For nurses in the primary sector, the new employing organisation must have a PDRP Agreement (MOU) with the DHB

Please find the application form for [transfer of PDRP](#) on the intranet .
