

### The Professional Development Recognition Programme (PDRP)

The PDRP is a competency based clinical programme that supports the practice development and career progression of enrolled and registered nurses.

The PDRP has been updated to align with the **National Framework & Evidential requirements (2017)**

**Please ensure that you are using the latest version of the documents from the website.**

#### **EXTENSIONS!!!!**

Please note there are no extensions for portfolios. The reason for this is due to the fact that staff are given plenty of time before the renewal of their full PDRP portfolio which provides enough time for you to complete your portfolio and allow time for the peer assessment to be completed. For extenuating circumstances please inform the line manager and contact the PDRP Nurse Coordinator.

**PDRP Assessor Workshops for 2020 now available for booking on Connect Me.**

This workshop covers all aspects of both peer assessment and portfolio assessment for the PDRP
